Notice to Competitors:

This event will be run in accordance with AAC National rules and regulations, and you'll get to do a walkthrough of each course prior to the event starting. The purpose of this event is to practice National level courses, however training will be allowed in the ring while you are running your dog. Competitors will have the opportunity to run each course, with the second run offered after everyone has completed their first round (time permitting). Runs will be timed but not judged, and help from spectators and handlers would be much appreciated between runs to help things run quickly 😊

NOTE: There is a fenced off-leash play area and acres of land to walk your dog during the match, however we do ask that you poop-n-scoop and keep your dog on a leash when outside of the agility and play rings as there are horses on the property...
